Rules Enforcement and Fines Policy

To ensure residents who enjoy the privilege of living in Stoneybrook Village also accept the responsibility to respect their neighbors' rights of peaceful enjoyment, safety, and sustained property value, a procedure for resolving complaints dealing with violation of declared *Covenants, Conditions, Restrictions and Easements for Stoneybrook Village (CC&Rs)*.

- In order to begin the rules enforcement process, an owner, a resident, or an agent of the Board of Directors must state, in writing via regular mail, or email, through the Association website or facsimile, any rule violation being reported.

If a violation is confirmed by the Board of Directors, then:

- Upon notification of the first violation, the owner and/or resident will receive a written "Friendly Reminder" to correct the violation. This reminder will inform the specifics of the violation to be corrected and request correction to avoid potential fine assessment and/or collection activity.
- The resolution process will continue through specific intervals of time.
- Should the violation remain unresolved after the specified process, Article 11 (Enforcement) of the CC&Rs, para.11.2.b, will be enforced.

Any amount not received by the last day of the month is delinquent, and is subject to penalties and interest and further action as allowed by the governing documents. Payments will be applied to the oldest amount due, including penalties and interest.
